STATE POLICE HERE GAVE TIP ON BURGLARS

Gettysburg state police apparently provided the "tip" which led to the capture of four York men by Maryland state and county police at the Westminster Veterans of Foreign Wars early Friday morning.

The four men, Oscar LeRoy Kraft, 31; George Ellis Mundy, 31; Thomas Richard Simmons, 23; and Charles Alfred Simmons, 33, all of York, were spotted by local state police during a routine check of traffic on the Sunshine Trail near Zora Wednesday evening. Then Thursday state police noted the four in their car at a Carlisle St. service station here.

The local state police decided to notify other state police and local police in the general area to notify other state police and local police in the general area to keep their eyes open for a 1957 maroon and gray auto with four men in it, just as a precaution.

Among police notified were Maryland state police who agreed they would keep a more than ordinary watch on the vehicle.

The result: The four were located inside the Westminster VFW. It was surrounded. Three were captured there, one escaped to his car, but was caught at a road block near Westminster.

Local state police plan to go to Westminster Monday to query the four men concerning several local crimes.

The meeting was held a week in advance of the regular date because the librarian, Mrs. O. H. Wilson, will be attending Pennsylvania Library Association convention sessions next week in Erie where she will preside over county library section meetings as president.

The board decided upon a simplified program for the annual meeting with annual reports, election of directors and light refreshments. Mrs. Robert Lott was made chairman of the committee in charge of arrangements.

Two Army Generals And Four Enlisted Soldiers Die In Flaming Airplane Crash

OAKLAND, Calif. (AP) — Two Army generals and four other persons died Friday in the flaming crash of a small Army transport plane in a foggy residential area near here.

The high ranking officers were: Maj. Gen. Carl F. Fritzsche, 57, of Bedford, Ohio, commanding general of the huge Army training center at Fort Ord, Calif., and Brig. Gen. Thomas H. Hayes, 49, of Macon, Ga., Fritzsche's deputy commander.

The single-engine Otter hit the side of a hill just 200 yards from a house in the suburb of Orinda, 20 miles east of here.

HITS WATER TANK

Mrs. John Barron and her two children were in the home.

"I was feeding the children when I heard a roar. It sounded directly over the house," she said. "Then I heard a choke-like engine dying. Then came the sound of a crash. I looked out but couldn't see anything at first because of the fog. Then I began to see blue-orange flames."

Smashing against the hill at an altitude of 1,300 feet, the plane hit an East Bay municipal utility district water tank and broke into pieces.

Most of the plane rolled 75 yards up the hill, burst into flames and touched off a brush fire which soon circled the aircraft.

Eisenhower And Macmillan Meet On Neutral Plea For Meeting With Khrushchev

UNITED NATIONS, N. Y. (AP) —President Eisenhower faced a painful decision today, posed by a neutralist resolution in the United Nations urging him to meet Premier Khrushchev in brass-tacks talks on easing the "threat to the world."

He may make up his mind after a conference with Britain's Prime Minister Harold Macmillan in Washington Sunday.

Prior to the neutralist maneuver, White House officials said there was little or no likelihood that Eisenhower would agree to see Khrushchev. The American position has been that the RB47 case, with the imprisonment in the Soviet Union of two crewmen from the downed plane and Khrushchev's insults to the President closed and locked the door to any meeting.

But the question now is: How to say "no" to the call in the U. N.?

35 MEMBERS ASK SPECIAL COOP. SESSION

A group of approximately 35 members of the Adams Electric Cooperative and two of its directors, meeting Friday night at the Fairfield Community Hall, voted that a committee it had selected about a month before should make another attempt to seek a special general meeting of the cooperative.

B. J. Roberts, Fairfield R. D., who served as chairman of the meeting, told the group of the things sought at the special meeting would be a change in the by-laws to provide that each of the nine directors elected to represent the nine districts of the cooperative should be named by the patrons in their area and not, as at present, by all of the patrons. He also proposed that the board of directors be increased from nine to 12 with the three additional directors to be named from the general membership.

Attorney Daniel E. Teeter, who Roberts said had been asked to serve as a "go-between" between the directors of the cooperative and the dissident members expressed the belief, after reading from the state law governing cooperatives, that election by district rather than by the entire membership might be illegal.

WANT SPECIAL MEETING

Roberts, Henry F. Semke, York Springs R. 2, and H. J. Quirk, Fairfield R. 2, were among "committee members" who reported at the meeting. They expressed the belief that the present board of directors of the cooperative should resign and a new board be elected at the special meeting they hope to have called.

Under the vote Friday night the "committee" will meet again with the directors of the cooperative at their next session and ask the president or directors to call the special meeting. According to their statements Friday night, if such a meeting is not called they propose to seek signatures of approximately 700 members, 10 per cent of the membership, to force a special meeting.

All of the "committee" were agreed that the cooperative is in "good shape financially" but all expressed ways in which they felt "management of the cooperative could be improved."

Complaints at the meeting ranged from an objection that "the annual meetings provide too much entertainment and take too long to get around to business," to objections to the purchase of a house for the local manager at Shippensburg; to complaints that the "Glen Rock area" should have a local manager; to objections to the board considering selection of a public relation director before it has filled the position of engineer left vacant by the resignation of Douglas Smith.

Roberts objected to "letting Douglas Smith go for only a \$1,000 a year difference in salary," and held that Smith had served well as engineer and that an engineer was badly needed to provide "information to us members when we need it concerning what we (Continued On Page 2)

Castro Executes His Former Pal

HAVANA (AP)—A firing squad executed Roberto Cruz Alfonso today after a military court convicted him as the principal figure in the attempted assassination three months ago of Jose Pardo Llada, pal of Prime Minister Fidel Castro and pro-government radio commentator.

Pardo, whose broadcasts have been venomously anti-American, escaped unharmed as his automobile was sprayed with machine-gun bullets last July 9. A companion, Jose Antonio Matos, suffered neck wounds.

The execution, carried out in La Cabana fortress at 2:30 a.m., was the first by the Castro regime since June 15, the 561st since Jan. 1, 1959, by unofficial court.

Nigeria Boisterously Celebrates Independence

LAGOS, Nigeria (AP)—Nigeria, the most populous country in Africa, boisterously celebrated its independence today.

Cheering throngs took over this capital, once the hangout of slave traders, as Britain's Union Jack was lowered and the new green and white flag of Nigeria was raised over the nation of 36 million people precisely at midnight.

The symbolic act heralding independence was performed before 40,000 sweating Nigerians at Lagos race track 99 years after Britain annexed Lagos and two years after London told the Nigerian Parliament the country could have its freedom by asking for it. The country remains in the British Commonwealth.

ROCKEFELLER ATTENDS

Mrs. Wilson reported 45 youngsters attended the first fall children's story hour Friday at the main library with Mrs. R. W. Gifford telling the story. The story hours will be continued as a Friends of the Library project with Miss Ruth McIlhenny in charge.

Mrs. Wilson also reported on the summer reading program at New Oxford, sponsored by the PTA there and conducted throughout the county library's New Oxford branch, in which 100 children read five books or more apiece. The record was 37 books by one New Oxford girl. Mrs. Wilson presented certificates to the participants at a recent PTA meeting there, was announced. The Gettysburg Memorial books in honor of Mrs. Harold Steiner and Mrs. H. M. Hartman were announced.

The librarian reported the children of Christ Lutheran Kindergarten visited the library recently and donated \$8 for children's books.

The receipt of eight cartons of books from the Warthen estate fiduciary there, but books in the College library was the chief beneficiary there but books in the collection that duplicated volumes it has or others it did not need were turned over to the county library, it was explained.

\$55,000 BLAZE FRIDAY NIGHT

Thirty-nine head of cattle perished Friday night in a raging barn fire near Hanover which also destroyed an entire summer crop of hay and straw.

Total loss was estimated at \$55,000. The 30 milk cows, a bull and eight calves were valued at \$15,000. Loss to buildings and equipment of dairy farmer John Shank, Hanover R. 5, was estimated at \$40,000.

The fire, discovered about 11:30 p.m. destroyed a 50-by-100-foot frame barn laden with straw and hay. Also lost were a new silo and a concrete block milkhouse, a flatbed truck and a straw cutter.

The blaze was seen by a neighbor, George Bentzel, who was coming from work at the nearby Bethlehem quarry. He roused the sleeping family and firemen were summoned. The blaze was out of control when the New Oxford company arrived first on the scene, according to Second Assistant Chief Sanders, who was in charge of the firefighters.

The Shank farm is located along the Carlisle pike about four miles north of Hanover. The loss is partly covered by insurance. Sanders and Jacob Shank, father of the owner of the farm, made the loss estimates.

The flames were still bright for miles around early this morning. Anticipating a long battle, firemen called out Hanover's canteen truck.

In addition to the New Oxford company, others fighting the fire were from East Berlin, Abbottstown, McSherrystown, Brunshtown and Midway.

The giant African snail is six to nine inches long and has 80,000 sharp teeth with which it chews up flowers and vegetation and may even rasp off pieces of buildings. However, it is harmless to man.

The execution, carried out in La Cabana fortress at 2:30 a.m., was the first by the Castro regime since June 15, the 561st since Jan. 1, 1959, by unofficial court.

Eisenhower, and the diplomats of 57 other nations. Rockefeller, in a statement, said the United States does not expect Nigeria, or other newly independent nations of Africa, to be a "committed ally."

The United States, he said, wants Nigeria to serve its own interests, not "our interest or positions."

Nigeria has an educational system that has produced thousands of college graduates. It has 600 physicians and 544 lawyers. More than 37,000 of the government staff of over 39,000 are Nigerians.

Prime Minister Sir Abubakar Tafawa Balewa, 48, who will head a delegation to New York when Nigeria, as expected, becomes the 99th member of the United Nations, is a quiet leader. The wealthy former teacher is reported determined to pursue an independent course but to keep cordial relations with Britain.

WILL QUEEN GO TO WEDDING OF BELGIAN KING?

LONDON (AP)—Can the Protestant Queen of England go to the wedding of the Catholic King of the Belgians?

This question has boiled up into a minor crisis of royal etiquette since Belgium's King Baudouin announced he plans to marry Dona Fabiola de Mora y Aragon early in November.

The word from Belgium is that many people there will be offended if Queen Elizabeth stays away from the king's wedding—as she did from the wedding of Baudouin's brother, Prince Albert.

The queen, as head of the church of England, is widely believed to be barred from attending Catholic ceremonies.

UP TO QUEEN

A check through the dusty files of the Home Office, however, shows that if she wishes to attend she has a precedent.

In 1913 her grandfather, King George V, attended the Roman Catholic wedding of Princess Victoria Louise, only daughter of Germany's last Kaiser, to Prince Ernst August, Duke of Brunswick.

At Buckingham Palace, a spokesman said a decision whether or not to attend rests entirely with the queen herself, after consultation with her advisers.

ought to do about our farms." Directors George Steinberger and Melvin Starnes seemed generally agreed with the dissent group's claim that there should be a change in the directors.

CLUCK GOT \$14,900

The committee generally felt the cooperative could increase the savings in cost to members. The cost of electricity is now 7½ per cent lower than the cost for similar service from a nearby utility, they said, but held that "tight controls" would increase the savings. They also said that a five-year-salary scale adopted by the directors some time ago was "too high" for the top officials, but said it was "in line" for the majority of the workers of the cooperative.

Roberts said C. A. Cluck, who retired recently as manager of the cooperative, received \$14,900 salary per year "plus a pension of \$3,000, a car and an expense account." Attorney Teeter stated Roberts was wrong in the amount of pension given the 71-year-old former manager, holding it was \$578 a year. The pension has been paid since Cluck was 65.

General agreement seemed reached at the end of the discussion that all involved were "sincere" and that there were areas in which "men could disagree," and that there were "misunderstandings along the line."

In response to a question by one of those present that "I received notice from every other cooperative to which I belong as to the amount of capital credit I have in them, but I've never received any such notice from Adams Electric Cooperative," Attorney Teeter agreed that such notices should and would be sent out. He said the great amount of borrowing needed to start the cooperative and the requirements for building up a large sum against contingencies, for payment of the debt, etc., has "prevented the cooperative from paying dividends as quickly as other cooperatives where the original investment is not so huge."

To a question about the amount spent by the cooperative for its electrical power in comparison with other cooperatives, Teeter explained that a "coal clause" required in the area boosted the rate the cooperative had to pay, but also pointed out that through negotiation the cooperative had been able to reduce the amount it had to pay for its original electric power over the years.

CONSIDERED "MODEL"

Teeter said the local cooperative has been considered a "model" in that it has excellent lines and finances, has been in advance on its repayments of borrowed sums and has built up a large reserve to meet future repayments of loans and meet any emergencies. He expressed the opinion that the main objection of the dissidents is the new pay schedule and, while agreeing it was "certainly not out of line with others," indicated that such matters "always are the subject of differences of opinion."

Toward the end of the three-hour, 20-minute meeting, one of the group arose and stated he was a "new member here, but I lived in the northern part of the state where our cooperative went through much the same thing that you are going through now. It ended in a proxy fight. The same management was retained, the same directors stayed in, but the objects got the changes they wanted and everybody is happy and friendly. It happens in every organization. People think along certain lines. Every now and then in every business there is a need for a change. You have some ideas which are for the good of the organization. Don't worry. They will be adopted. Just keep things orderly and it will work out."

WASHINGTON (AP)—The Pentagon has marked an extra \$169 million for defense spending. Much of it will go toward speeding up development of the Polaris submarine missile.

Democrats have accused the administration of refusing to spend a large part of the \$661.6 million voted by Congress in addition to the administration's \$40.8 billion defense budget for the current fiscal year. But the administration has denied Democratic charges that the extra funds were frozen.

WASHINGTON (AP)—Americans should stay away from Cuba unless they have compelling reasons to go there, advises the State Department.

The statement Friday came on the heels of another State Department suggestion that wives and children of American residents in Cuba—other than those stationed at the Guantanamo Bay Navy Base—should be sent back to this country.

The department said American tourists had asked whether they should travel to Cuba now, in view of Prime Minister Fidel Castro's anti-American campaign and the advice the department had given on American dependents.

ISSUE PLEAS FOR SUPPORT IN CHEST DRIVE

General Willard S. Paul, president of Gettysburg College, and Rev. Charles E. Held, chairman of the Adams County Chapter of the American Red Cross, today issued statements appealing to the public for financial support in the Community Chest campaign.

General Paul said: "It is a privilege to invite the people of Gettysburg to participate in the Gettysburg Community Chest annual solicitation. Giving to such a worthwhile project should need no urging on the part of anyone. Here is an opportunity to demonstrate that we believe in the program. It is our campaign, our town, and it needs our help. I encourage each one of you to give and give generously."

"Time and money are precious commodities that are truly valuable only when they are shared. We are fortunate that we live in a country that voluntarily supports community organizations. Let us not lose sight of the privilege of giving."

6 ORGANIZATIONS
Rev. Mr. Held said: "A group of six organizations in our community who at one time conducted separate campaigns to carry on their work are now united under the Community Chest when only one appeal will be made. These organizations are all worthy of our help; they are not charitable but serving for the good of all mankind, boys and girls, men and women."

"Every dollar of the goal is needed to help to carry on these worthy causes in our community. We must remember when we gave a dollar for one cause we now must give many more in this united drive. This campaign is a challenge to us all as citizens in a free country to preserve those things for which we stand."

"As chairman of the Red Cross board of Adams County I am interested, but I am also interested in this whole program and in every organization that is in this united effort under the Community Chest. I heartily endorse the campaign."

CHARGERS AND OILERS SHOW PACE IN AFL

By THE ASSOCIATED PRESS

The Los Angeles Chargers and the Houston Oilers have a corner on the individual and team leads in most of the offensive and defensive departments of the American Football League, but only the Chargers have a chance to strengthen their holds Sunday.

The Oilers are idle, but Los Angeles takes on Buffalo, which ranks well down the list in most departments. In other Sunday games the New York Titans meet Dallas and Oakland plays Denver. Boston is idle.

Jack Kemp of the Chargers had an indifferent day at Dallas last Sunday, but managed to cling to his individual passing lead with 62 completions in 115 attempts for 701 yards. John Carson of Houston tops the receivers with 18 grabs good for 214 yards and three touchdowns.

Pullback Dave Smith of Houston leads the rushers with 256 yards on 44 drives, and George Blanda, also of Houston, tops the league scorers with 40 points.

Los Angeles leads in team passing offense with an average of 241.3 yards per game, and Houston is tops in rushing offense with a 176.7 average, and also leads in total offense with a 380.7 average for its three games.

Los Angeles also leads in team defense against passing, allowing only 136 yards per game, and Houston is best in rushing defense, permitting only 41.7 yards per game on the ground.

In total defense, Denver tops the list, allowing only 291.3 yards a game, rushing and passing.

Los Angeles has won only one of its three games, sharing third place in the western division with Oakland. Denver and Dallas each has won two and lost one.

Houston and New York are tied for the eastern division lead with two victories and one defeat each. Buffalo and Boston each has won one and lost two.

MANY TRADES ARE EXPECTED

LOS ANGELES (AP) — The Los Angeles Dodgers expect to be in the thick of what vice president Buzzie Bavasi says will be an unusually active season of inter-league trading.

"There are a lot of disappointed baseball clubs," Bavasi says. "I look for a great many deals. Cleveland, Baltimore, Chicago and Detroit had high hopes, and you can bet they'll try to do something about it. The same applies to San Francisco in the National League."

"The Dodgers are in a position to deal more than ever before. We've got the best crop of youngsters since I started with the club in 1940. We are not lined up with Montreal any more, so we'll be able to offer some 3-for-1 and 4-for-1 deals."

"I think that if all the clubs had to go with rookie lineups next year we'd win in a breeze, so I think we have a lot to offer. We'll deal veterans, too, if something good comes along."

A Bit Of History About Early Settlers

By B. F. M. MacPHERSON

THE GIRTY FAMILY

The biographical data on the infamous Girty brothers, white renegades, is continued at this time.

The cautious policy of the Penns. in regard to the purchase of land from the Indians, had a direct effect on the fortunes of the Girtys. It was not until after 1750 that lands west of the Susquehanna River were opened for settlement.

Long before that time, however, squatters had settled on the forbidden lands and at the request of the Indians Governor Thomas ordered the proper authorities to drive these people from the unpurchased territory and this, in part, was done. The job, as so often happens, was not completed and left a great deal to be desired insofar as the Iroquois were concerned.

The majority of the "squatters" in the Big Cove, Little Cove, Big Connoloways, Little Connoloways, and the majority of those in Path Valley were Scotch-Irish. These dwellers on lands not yet purchased from the Indians were not removed until May 1750, when Lieutenant-Governor Morris, after the organization of Cumberland County, sent Richard Peters, James Galbraith and others with the undersheriff of Cumberland County, to remove all persons who had settled north of the Blue or Kittanning Mountains. In this way Burnt Cabins, in the north eastern part of the present Fulton County, got its name. It is interesting to note that among the settlers removed on this occasion was Simon Girty, the elder, the father of Simon Jr., Thomas, George and James Girty.

Plans were made to serve a banquet to the Loyalty Class and the class taught by Samuel J. Snyder on November 7 at the church. It was decided to hold the next meeting one week earlier due to Halloween, October 20, at the church. Today's Talk

ON GIVING TONE TO LIFE
There is so much more to life than the mere living. It needs constant tuning. There are changes to be made, viewpoints to be altered, and new visions to be created. We need to keep step with this life of ours. All life belongs somewhere. It is up to each one of us to put life together so that its richness is felt and recognized. Beauty gives tone to everything that it touches. It regulates every movement of our thoughts and feelings. It unites us as human beings, giving us hope and aspiration, courage and pride of good conduct.

Our whole nature responds to such an incident as the falling of a maple leaf, during the early days of autumn, whispering life anew in shades and tones, warming the Earth as it breathes its breath upon the dying year. The flowers of autumn take to their sleep, and colors are more pungent and pronounced than at any other time of the year. God keeps busy, however, and keeps awakening the mind and heart of us all. How significant is every phase of life. There are no false tones!

Just Folks

FUN
Fun, I should say so,
My sides fairly ached,
We laughed and we shouted
Until the babe waked,
We ran through the parlor
And out through the door,
And I fell kerflummox,
Full length on the floor!

Oh, how excited
Those youngsters became.
Their eyes shined like jewels,
Their cheeks were aflame.
They laughed and they laughed
Till the little one choked
And they rolled on the floor
And my ribs kicked and poked.
And then I pretended
That I had been killed
By the fall, and at once
All the laughter was stilled;
They tip-toed and whispered
And peered with alarm
In my face, till I jumped
And had one in each arm.

Fun? For an hour
We go at it each night,
A gambol, a scramble
And sometimes a fight,
Till worn out and weary
And tousled each head,
I kiss them and carry
Them straight off to bed.

SPECULATES ON RELIGIOUS ISSUE IN PA.

By RICHARD L. GRAVES
HARRISBURG (AP)—Will religion affect voting patterns in Pennsylvania this year?

Leaders of both parties are wondering about the answer. It could come on election day, Nov. 8. But the odds are against any clear-cut voting pattern developing on the religious question. It never has in the past.

TAKE OFFICIAL STANDS
That may be why both Republican and Democratic leaders have taken official stands against voters either backing or opposing a candidate because of religion.

Religion is something of an unknown quantity as a statewide factor. Both parties feel it will have some effect in local situations. But will the local situations cancel each other?

For example: On the Democratic side some leaders are fearful that presidential nominee John F. Kennedy's Roman Catholic background could cost the party Berks County.

COULD WIN LUZERNE
At the same time they feel it could win Luzerne County. Many Republicans concede that such a trade in traditional strongholds could happen. The fact is nobody knows and they have no precedent to cite.

Twice Roman Catholics have headed statewide contests. One lost, the other won. Most of the religious-political discussion seems to center on Kennedy. His opponent, Vice President Richard M. Nixon, is a Quaker, a religion which numbers only some 120,000 in the United States.

SAME RELIGIOUS PICTURE
By coincidence the candidates this year have the same religious affiliations as those in the 1928 campaign. Al Smith, Democratic candidate for president in 1928 and a Roman Catholic, lost Pennsylvania's electoral votes to Herbert Hoover, a Quaker.

In 1936, Gov. David L. Lawrence, also a Catholic, won his office against a Protestant by a margin of 76,000 votes. Though he carried only three counties, Smith lost by a narrow margin than the previous Democratic presidential candidate lost to Calvin Coolidge.

IN "BIBLE BELT"
Some Democratic leaders felt Lawrence's religion cost him votes. But others contend it gained him votes in many areas, while the factor that might have cost him votes—and resulted in a narrow House control margin—was his big city identification as mayor of Pittsburgh. Antimetropolis feeling is usually counted as strong in upstate areas.

If there is anti-Catholic religious sentiment, it might center in the Pennsylvania Dutch Country—sometimes called the "Bible Belt."

There Protestant religious tradition is rooted in Palatinate Germany. The ancestors of many of Pennsylvania's Germans came to Pennsylvania to escape religious persecution that was an outgrowth of the 30-Years War.

COMPARATIVE FIGURES
The Dutch Country is a region that clings to tradition. The Roman Catholic population for Pennsylvania reported in the 1959 Catholic directory was 3,182,000.

Toronto Leading Little Series 2-1

LOUISVILLE (AP)—The Little World Series moved to Louisville tonight with the Toronto Maple Leafs carrying a 2-1 edge in the best-of-seven series.

The Leafs dumped Louisville 6-2 Friday night on Steve Demeter's big bat. The powerful third baseman equalled a Little World Series record as he blasted two homers and drove in four runs. It raised his playoff homer count to four. He hit 11 during the season.

Bob (Riverboat) Smith held the Colonels to three hits. The remaining necessary games of the series will be played in Louisville. Bob Chakales is Toronto's mound choice for tonight. Louisville will go with either Vic Rehm or Bob Botz.

SHOW OF STARS PLAYS HERSHEY

HERSHEY, Pa. — The winter edition of the biggest Show of stars for '60, which will appear on the stage of the Hershey Sports Arena Thursday, October 27, has been hailed by the music business as a "whole-of-a-package."

The show is headed by three of the country's sell-out attractions, Fabian, Brenda Lee and Duane Eddy, complemented by such well-known stars as Jimmy Clanton, Chubby Checker, Freddy Cannon, Bill Black's Combo, Jimmy Charles, Gary Miles, The Casuals, Bob Beckham, Bobby Vinton and His Show of Stars Orchestra, emcee Herkie Styles and introduces the first place winners of the Coca-Cola Hi-Fi national contest, the Merrymen.

A little over two years ago Fabian was a Philadelphia boy being groomed for stardom. Today he is known throughout the four corners of the world, has progressed to television appearances and shared top billing with none other than Bing Crosby in the movie "High Time." Blessed with a handsome physique, clean-cut appearance, a startlingly good-looking face and voice to boot, Fabian has become one of the most sought-after teen-age personalities in the music field.

Sharing top billing with Fabian is Brenda Lee, four feet eleven inch bundle of singing talent, who has amazed audiences with her vitality and exuberance since she was six. She is a natural born performer and is considered the biggest little star of television.

The three counties that went for Al Smith were Elk, Lackawanna and Luzerne. The last two have sizable Catholic populations. In the 1958 gubernatorial election, all three went Democratic by big majorities. But in the 1956 presidential election all three went for Eisenhower, a Republican.

What does it mean? It may mean nothing at all.

BRAVES DRUB BUCS 13 TO 2; CARDS BEATEN

By ED WILKS
Associated Press Sports Writer

The return of shortstop Dick Groat was something less than a spirited success for Pittsburgh's National League champion Pirates in their final tune-up for the World Series.

Groat, the sparkplug as the Bucs won their first flag in 33 years, slapped a weak bouncer and was thrown out as a pinch-hitter Friday night as Milwaukee mauled the Pirates and 20-game winner Vern Law 13-2. It was Groat's first at-bat since suffering a broken wrist Sept. 6.

Groat's batting average was shaved to .324, but he stayed on top in the race for the NL bat crown. Runner-up Norm Larker of Los Angeles went 0-for-2 and skidded to .323 although driving in three runs in the Dodgers' 7-5 victory over the Chicago Cubs.

AARON BLASTS TWO

Milwaukee's victory, triggered by Hank Aaron, who hit his 39th and 40th home runs and two doubles and drove in five runs, assured the Braves of no worse than a tie for second-place money with St. Louis. The Cardinals lost 2-1 at San Francisco. Philadelphia beat Cincinnati 7-6 in 14 innings in the other NL game.

Law, Manager Danny Murtagh's choice to start the World Series opener against the Yankees in Pittsburgh Wednesday, was roughed up for 10 hits and eight runs in less than three innings against the only club he has failed to beat this season. It was his ninth defeat, fourth in his last five decisions.

BUCS GET 5 HITS

Aaron, one behind leader Ernie Banks of the Cubs in the NL home run battle, had a 4-for-6 night and upped his league leading RBI total to 125. Right-hander Bob Buhl checked the Pirates on five hits. It was Buhl's 16th victory against nine defeats and gave him a 4-1 record against the champs.

Larker collected his RBI with a pair of sacrifice flies and an infield out as right-hander Jim Gold won in his major league debut with relief help from Don Drysdale. Reliever Mel Wright (0-1) was the loser.

The Dodgers, setting a NL attendance record at 2,218,936 with a turnout of 14,205 had eight hits, one the first major league homer by catcher Doug Camilli, son of the old Brooklyn star Dolph Camilli.

Sam Jones won his 18th with a three-hitter against the Cards. A triple by Orlando Cepeda and a double by Jim Davenport cracked a 1-1 tie in the fourth inning and beat Ray Sadecki (9-9).

BERKELEY, Calif. (AP)—Top-seeded Barry MacKay meets Rafael Osuna of Mexico City today in a semifinal match of the Pacific Coast Tennis Championships. In the other semifinal, Whitney Reed of Alameda, Calif., plays Jon Douglas of Santa Monica, Calif.

Maria Bueno of Brazil goes against Anne Haydon of England and Darlene Hard of Montebello, Calif., meets Christine Truman of England in the women's semis.

Many Series Fans Will Use Planes

PITTSBURGH (AP)—Many baseball fans will arrive here in private plans for the World Series between the Pittsburgh Pirates and New York Yankees.

An Allegheny County Airport spokesman said plans are being made to accommodate 150 private planes there. A spokesman for the Greater Pittsburgh Airport said approximately 50 private planes are expected there.

According to commercial airlines at least 15 extra flights will carry Pirate fans to the games in New York.

POLICE PROBE WAGER CLIQUE ACROSS NATION

ANN ARBOR, Mich. (AP)—Police today probed the possibility a nationwide betting syndicate was involved in the attempted bribe of an Oregon football player. It was the second attempt to fix a major college game this season, and police said the two cases may be connected.

Michigan State Police Lt. Carl Robinson Friday disclosed the attempt to influence the result of last Saturday's Oregon-Michigan game. Robinson said Webfoot halfback Mickey Bruce nipped the plan by telling his athletic director and coach about a bribery offer.

WAS OFFERED \$5,000

Robinson, chief of the state police racket squad, said Bruce was offered \$5,000 to "let a pass receiver behind him" and induce quarterback Dave Groz "to call the wrong plays."

The lieutenant said A. David Budin, 27, a Brooklyn, N.Y., schoolteacher, and former college athlete, was arrested, but could be charged only with registering at a hotel under false name. Robinson said two gamblers apparently were tipped off and fled before police were able to raid the nearby Dearborn Inn, where the men and the Oregon team were registered Sept. 23, the day before the game.

IS FINED \$170

Budin pleaded guilty to the misdemeanor charge against him and was fined \$170. He was captain of the Brooklyn College basketball team two years ago.

He apparently was a go-between for the gamblers, Robinson said. The officer said Budin told him he didn't know the gamblers by name, but thought they were from Miami.

This was the second abortive bribery attempt in the college campaign that is just three weeks old today.

NEW YORK (AP)—Sometimes business management wonders if an open season hasn't been declared on it. This year has seen a multiplication of assaults from: Rebellious customers, dissatisfied stockholders, suspicious employees, censorious government agencies, disillusioned stock traders and critical politicians.

In some cases customers have rebelled against paying higher prices and increasing operating costs. Classic example is the revolt that first boosted sale of foreign cars and currently is booming the compacts.

REPAIR BILL GRIPES

Customers have also grown more vocal in complaints about repair bills that seem to come too regularly on gadgets they suspect were designed to last "only until the final payment is made." Planned obsolescence has come

CONSPICUOUS WASTE

One gadfly of management, Vance Packard, who has criticized advertising practices in "The Hidden Persuaders" and building up of questionable consumer habits in "The Status Seekers," is out today with a new and scattergun blast at business methods.

It's calculated to irritate, anger or disturb managements of countless companies from coast to coast.

His latest book, "The Waste Makers," published by David McKay Co., charges the nation is on a binge of conspicuous waste, partly through consumer self-indulgence, but largely promoted by industry and trade to increase sales that otherwise would dwindle fast.

MODERN COOKING

Packard takes swipes at the food industry. He says the average American family throws away 750 metal cans each year. He criticizes the trends toward cooking in disposable aluminum pans, in plastic boil-in bags, or from metal aerosol cans which he claims don't always expel all the food—making for still more waste.

He charges that various home furnishings don't last as long as those grandmother bought, and that they aren't supposed to. He claims to see a trend toward quick outdating of new homes.

Business management is sure to object to his findings, especially if they arouse the customers at a time when they're restive enough as it is. And management unquestionably will have some telling answers to his charges.

Warriors Play Improved Ball But Yield 27-0 To Unbeaten Chambersburg

An impressive Chambersburg High School football team took the opening kickoff, marched 50 yards in five plays in 2:14 minutes for a touchdown and went on to hand Gettysburg its fourth straight defeat, 27-0, on Kurtz field here Friday night.

The game was the first South Penn Conference encounter for Gettysburg while Chambersburg tightened its conference lead with a 2-0 record. Overall the win was the third for the Trojans who have tied one game.

Moving on the ground most of the time, the Trojans were able to sweep Gettysburg's ends with 280 yards on 42 carries for the evening's work. Gettysburg carried 51 offensive plays for 46 yards.

A heavy downpour fell about an hour before game time and made the field somewhat slippery. Chambersburg lost six fumbles, three of them very costly, including one in the end zone and two more inside the five-yard line. Gettysburg lost three.

The Warriors were able to penetrate Chambersburg territory only twice in the game and both times they were helped by penalties.

The Trojans' initial score came on a seven-yard end run by Dirk Nye. Everett Alcorn split the uprights with a placement for the extra point.

SHAKES OFF TACKLERS
Later in the opening period Edwin Breckbill returned Bob Dean's punt to the 15 of Gettysburg. A clipping penalty put the ball on the 30, but after a first down series, Watson rifled a hook pass to right end Stephen Gotwals who knocked down two Gettysburg tacklers and went the final 19 yards to score with six minutes left in the first quarter. Alcorn kicked the PAT.

It looked as though Chambersburg would turn the game into a rout at this point, but Mother Nature's moisture took care of that. After Gettysburg had received the kickoff and punted to its 40, Rotz carried on three successive plays to the two-yard line. After he failed to score on a plunge, Breckbill rammed over but fumbled and Bim Miller recovered.

Chambersburg came right back after another punt that Breckbill returned to his own 44 early in the second quarter. After three running plays, Breckbill passed to Mull over the middle who took it down to the 22.

MULLY RECOVERS
Mull carried again to the 10 and the Rotz to the 4. Watson and Symonds got the center pass mixed up and Mickle recovered for Gettysburg on the 5. Here Gettysburg moved to their first first down. After three running plays Dean punted to the 40 and Nye returned it to the 24. Rotz swept right end to the 6 and again to the three. On the next play, Breckbill fumbled on the three and Gettysburg recovered again.

The third period saw a big improvement on the part of Gettysburg's defense and they were able to contain the Chambersburg sweeps.

Gettysburg got another break early in the third quarter when Chambersburg was penalized 15 yards for clipping on a punt return and on the second play, Mull fumbled at the 40 and Holoka recovered for Gettysburg. Gastley got five up the middle and Miller, on the next option play, pitched out beautifully to Gastley who fumbled when he was hit at the 45 yard line of the Trojans.

It took Chambersburg six plays to go 55 yards for their third score. Rotz and Nye alternated on the carries with Rotz going the last four yards around right end with about five minutes left. Alcorn converted for his third point.

An exchange of fumbles ensued before the quarter ended with Chambersburg in possession at the 31 of Gettysburg. Three running plays and a double penalty against the Warriors put the ball on the seven where Rotz made it look easy as he went wide for another six carries with 1:30 gone in the final quarter. Alcorn missed his fourth and final placement.

GHS PASS CLICKS
The rest of the game saw some pretty plays, one a 22-yard pass play from Duane to Eckert that put the ball on the 43. But here the Warriors stalled again and Dean was forced to punt.

Chambersburg had another touchdown called back midway through the third quarter, when tackle James Jones intercepted a Duane screen pass and ran 40 yards, but the Trojans were caught roughing the passer on the play.

The last four minutes saw Gettysburg inside the Trojans' 10-yard line after Mickle recovered a quarterback fumble. Jim Jones again broke through to bat down a Duane pass when the Warriors were knocking on touchdown door. But on an option play, Duane fumbled and Daugherty recovered

WORRY ABOUT GROAT; HOW ABOUT KUBEK

NEW YORK (AP)—Everybody is concerned about Dick Groat, Pittsburgh's injured shortstop. Will he be ready for the World Series? Will he be able to play up to his normal ability? It is accepted that Groat is the key to the Pirates club.

Nobody pays much attention to the New York Yankee shortstop. In case it has slipped your mind, his name is Tony Kubek. And he is having a pretty fair year.

Although Kubek never will be ranked with the great ones, like Phil Rizzuto and Marty Marion, he has become an acceptable shortstop. He can make the play and he can hit the ball.

A "VALUABLE PLAYER"
"Kubek is one of the most valuable players," said Manager Casey Stengel recently when talking about his 10th pennant winner. It is a known fact that many so-called experts predicted last spring that the Yanks never could win with Kubek at short.

"He has learned to hit the home run," observed Stengel. "They used to throw low to him and he'd slap the ball into the ground. Now he lifts that low pitch every once in a while and it sails right into the seats."

Kubek is hitting .273. He has chipped in with 154 hits, including 25 doubles, three triples and 14 home runs. His RBI total of 61 put him right up there close to Yogi Berra. Only Roger Maris, Mickey Mantle, Bill Skowron and Yogi have more.

Chambersburg had another touchdown called back midway through the third quarter, when tackle James Jones intercepted a Duane screen pass and ran 40 yards, but the Trojans were caught roughing the passer on the play.

EAGLES BLOCK TWO TRIES TO SPANK DALLAS

MONTREAL (AP)—The Montreal Canadiens (AP)—Bob Freeman, a last-hour addition to the Philadelphia Eagles, took the edge off a Norman Van Brocklin-Eddie LeBaron passing duel Friday night by blocking two extra point tries to furnish the difference as the Eagles beat Dallas 27-25.

Twice the big man from Auburn smashed through to get in front of Fred Cone's boots and help the Eagles to their first victory in the National Football League race.

It was the second straight defeat for Dallas, newest member of the NFL.

Van Brocklin wasn't up to his heralded passing adeptness but he still threw for 139 yards and one touchdown. LeBaron, however, connected for 194 yards and two touchdowns. LeBaron had five of his throws intercepted and two of them set up Philadelphia scores.

Only 18,500 showed up for the game, a most disappointing crowd.

The Philadelphia-Dallas game started off the weekend in the NFL. Five games are scheduled Sunday with Chicago at Baltimore, Detroit at Green Bay, Los Angeles at San Francisco, New York at St. Louis and Pittsburgh at Cleveland.

Baltimore and Chicago will be battling for the lead in the western division. Cleveland and Pittsburgh and St. Louis and New York will be scrapping for the lead in the eastern division.

Canners Jolt Nighthawks 14-6 To Run Undefeated Streak To Four Straight

Biglerville High School turned in one of its finest victories in years when it brushed aside Hanover, defending South Penn Conference titlists, 14-6, Friday night before about 4,000 fans at Hanover to keep its perfect record intact. It was the fourth straight victory for the Canners and marked the third setback in four outings for the Nighthawks.

Jack Emanuel's well-schooled outfit played a determined and aggressive game all the way and were in command throughout most of the contest.

The first time Biglerville secured possession of the ball it scored. Hanover took the opening kickoff and failed to gain. A short punt carried to the Hawk 49 from where the Canners moved to their first touchdown.

WRIGHT DIRECTS DRIVE
Don Wright, quarterback, giving another fine exhibition of generalship, directed his team to three straight first downs to reach the Hanover 11. A line thrust netted three yards but a holding penalty set the Canners back to the 19. In three plays the upper countains scored, Ron Wagner making the last five yards on a jab through the left side of the line. Perry Mickey booted the extra point to make it 7-0 with 7:45 minutes elapsed.

Hanover took the ensuing kickoff and drove into Biglerville territory before the threat was stopped when Mickey intercepted a jump pass.

Another pass interception, this by Wagner, stopped a Hanover threat early in the second quarter after Ricky Bollinger had returned a Canner punt 32 yards to the Biglerville 32.

PERFORM WELL
Ron Wagner carried the ball 21 times for a net of 83 yards in sparking Biglerville's offense. Wright was again superb with his faking while the entire Canner line turned in a brilliant performance with Hess, Fetters, Boyer and Mickey checking Hanover's pet roll-out plays time and again.

Garry Fair was injured in the second quarter and was unable to reenter the game.

Next Friday Biglerville plays at Cumberland Valley while Hanover comes here to meet the Gettysburg High Warriors.

BEGINS LONG SERIES' WAIT
PITTSBURGH (AP)—The long wait of the hale and hardy to see the World Series opener between the Pittsburgh Pirates and the New York Yankees next Wednesday is under way.

Ralph J. Belcore of Chicago arrived outside of Forbes Field Friday morning. He had a stool to sit on during his 124-hour wait for the gates to open.

Belcore is the first in line to buy a standing-room-only ticket. These tickets go on sale Wednesday before the game.

Besides the stool, Belcore had with him a topcoat, a bag of sandwiches and a traveling bag.

He said he began attending the fall classic in this fashion in 1940 and has seen 94 Series games since that time.

His record wait was established in 1959. "Last year, I waited eight nights and seven days outside Comiskey Park in Chicago to get a bleacher seat," Belcore said. His previous record was a wait of seven nights and six days in Brooklyn in 1956.

Convicted Man Helps Prosecutor
PITTSBURGH (AP)—An Allegheny County assistant district attorney said Friday a man he successfully prosecuted has given him two World Series tickets.

Samuel Strauss said: Ten years ago I won a conviction of this man for a minor burglary and the judge placed him on probation because he was making a start in business.

Strauss happened to meet the man in front of the courthouse last Thursday and was offered two tickets to next Thursday's game.

The attorney said, "I thought he was kidding." But when he arrived at his office Friday the tickets were there.

YANKEES SET NEW HOME RUN RECORD OF 192

By ED WILKS

Associated Press Sports Writer
The New York Yankees, marking the 33rd anniversary of Babe Ruth's 60th home run by cracking their American League homer mark, now have a 13-game winning streak as they barrel along toward next week's World Series.

But they still haven't received a convincing pitching performance from one of Manager Casey Stengel's nominees for the starting assignment at Pittsburgh next Wednesday against the National League champion Pirates.

Home runs by Tony Kubek and pinch-hitter Jess Gonder gave the Yankees a season total of 192, bettering the AL record they set with 190 in 1956, as they beat Boston 6-5 with three runs in the ninth inning Friday night.

RUTH ANNIVERSARY
It was exactly 33 years ago that Ruth hit his record 60th-off Washington's Tom Zachary at Yankee Stadium on Sept. 30, 1927.

It was in 1927, too, that the Yankees swept four straight from Pittsburgh in the World Series with the help of relief pitcher Wiley Moore, who saved the first game and then pitched a complete game in the finale.

At the moment, it looks like the big job again will fall to Yankee relievers as New York once more faces the Pirates.

Of the three likely starters considered by Stengel—Whitey Ford, Art Ditmar and Bob Turley—neither Ford nor Ditmar has been impressive in tune-ups. Ditmar, the Yanks' top winner with 15, was tagged for five hits and one run in four frames Friday night.

SOX TIE ORIOLES
While the Yankees rolled up the majors' longest streak since they won 13 in 1954, the Chicago White Sox tied idle Baltimore for second place by beating Cleveland 5-4 in 13 innings on Joe Ginsberg's single.

Detroit beat Kansas City 5-3 with four unearned runs in the only other game scheduled in the AL.

In the National League, Milwaukee walloped the Pirates and 20-game winner Vern Law 13-2. That assured the Braves of no worse than a tie with St. Louis for second-place money after the Cards lost 2-1 at San Francisco. Los Angeles beat Chicago's Cubs 7-5, and Philadelphia defeated Cincinnati 7-6 in 14 innings.

MIAMI WHIPS N. CAROLINA; SOPH STARS

By JACK CLARY
Associated Press Sports Writer
Things change rapidly at Miami (Fla.) football-wise. They seem to be going from good to better.

Before Friday night's 29-12 victory over North Carolina, Coach Andy Gustafson supposedly had a quarterback problem. After the game, the Hurricanes look set for a long time on the performance of a rugged 6-foot soph named Eddie Johns.

Johns, who was injured most of his freshman season, completed three of six passes for 33 yards and a touchdown and gained 114 yards on 13 rushes, scoring another touchdown on a 7-yard run.

Elsewhere Friday night, Louisville easily defeated Bradley 40-7, Murray edged Eastern Kentucky 21-19 and Fresno State beat UCALIF (Santa Barbara) 33-15.

Two of the biggest games today match teams in the top 10 in the weekly Associated Press poll. Defending national champion Syracuse and currently ranked No. 2, faces what could be formidable opposition from Kansas at Lawrence, Kansas, with two victories to its credit, is No. 5.

Northwestern, No. 6 and fresh from a victory over Oklahoma, faces ever-dangerous Iowa, No. 8. Mississippi, ranked No. 1, doesn't figure to encounter too much trouble from Memphis State in their night game, but the No. 3 Washington eleven can expect a tough battle from the Middles of Navy.

Illinois, No. 4, entertains West Virginia and should get by that one without too much trouble. Clemson, No. 7, takes on unranked Virginia Tech and should win handily.

OTHER BATTLES
Ohio State, rated No. 9 and one of the four Big Ten teams in the select group, is host to Southern California, and Georgia Tech, No. 10, will be favored in a lively battle with Florida.

Games matching unranked teams also have more than usual interest. The Pittsburgh-Oklahoma contest looms as a tight, hard-hitting affair. Pittsburgh held a highly-regarded Michigan State eleven to a tie last week as the Sooners were losing to Northwestern.

Army tackles California at Berkeley in another contest that has the experts guessing. Purdue is at Notre Dame, while Michigan and Michigan State tangle in a game which will give a strong hint as to what to expect of the elus in the Big Ten race.

Delone Chalks Up Loop Victory By Outclassing Lancaster Outfit 21-0

The Delone Catholic Squires struck early in the first period and never let up as they romped to their third straight win and second in the Central Penn Catholic League as they thumped Lancaster Catholic 21-0 Friday night in Lancaster.

During the first three minutes Lancaster showed some signs of giving the Squires a tough battle. The Crusaders took the ball on their own 23-yard line following the kickoff. Bill Binzen, Lancaster quarterback, fired a 12-yard aerial to left end Charles Morrison on the first play. The home team picked up its second first down of the young game when Ken Ziegler scooted around right end for 16 yards to place the ball on the Delone 49.

Miller Blocks Punt
Then the roof fell in. Binzen went back to pass and was thrown for a 12-yard loss by Mark Long and Jim Smith. A 15-yard penalty set the Crusaders 27 yards behind the line of scrimmage. Lancaster booted the ball, but another five-yard penalty moved them back to their own 18. Morrison attempted another punt and this time Delone tackle Tom Miller blocked the kick which rolled into the end zone where halfback Tom Keffer pounced on it for Delone's first score.

Squires were penalized 15 yards on the placement but sure-footed Bill Timmins sent a perfect placement through the uprights from the 27-yard line with 8:12 minutes remaining in the first period.

Following the kickoff the rains came which sent many fans scattering. From this point on Delone's defensive work was at its very best. Throughout the remainder of the game the Crusaders were unable to penetrate beyond the Squires' 28-yard line. Lancaster quarterback Bill Binzen had to rush his play as Tom Miller, Fred Murren, Mark Long, Jim Smith and Ben Stuller continually crashed through the line.

REILLY RACES 29
In the second quarter the Squires drove 80 yards for their second score of the evening. Ron Reilly, second unit sparkplug, climaxed the sustained drive with a 29-yard gallop around left end. Again Timmins' placement was good and Delone led 14-0 at the half.

Following a Lancaster punt late in the third period, Delone took over on its own 28. Coach "Buckey" Kempton's McSherrytown squad again begin to fire screen passes, crash the line and skirt the ends. The 72-yard march was climaxed when Don Hartlaub uncoiled a 29-yard pass to end Bill Timmins, who took the ball in on the five and raced into the end zone as the period ended. Timmins added his third placement.

SCRUBS PERFORM WELL
Kempton used many of his second unit players and they turned in a commendable performance for the Squire mentor. Sophomore quarterback Roger Sanders along with Ron Reilly and Dick Wierman exhibited a fine brand of football and proved that the Squires not only have a strong first unit but also have the depth to go with it.

Next Friday night Delone will travel to York to meet York Catholic in another Central Penn Catholic League contest.

Instant Sweet Potatoes Ready For Market Soon Says County Farm Agent

By MRS. HELEN TUNISON
Adams County Home Economist

Commercial production of instant sweet potatoes may result from research U. S. Department of Agriculture scientists have conducted.

Flakes that produce instant sweet potatoes have been prepared in the utilization laboratory in New Orleans. Plans are under way to produce enough flakes for consumer testing probably late this fall or early 1961.

The process for making the flakes is similar to that used in making instant white potatoes. The sweet potatoes are preheated in warm water, cut into pieces, and cooked. After cooking, they are made into a puree and dried in thin sheets. As the sheets come from the dryer, they are broken into flakes and packaged.

Tests showed that the flakes packaged under nitrogen, as some coffee is packaged, retained full flavor more than a year. However, flakes packaged in ordinary atmosphere deteriorated in a few weeks.

READY IN 60 SECONDS
Instant sweet potatoes can be ready to eat in 60 seconds when hot water or milk is added to the flakes. They may be seasoned and served as a vegetable, used in pies, or combined with other foods in a casserole. Instant sweet potatoes have the same bright color and flavor as the fresh sweet potatoes.

If this new product gets consumer approval and is produced commercially, instant sweet potatoes may become another convenience food.

A well-balanced diet is no mystery; the villain is time. But sound, well-planned meals every day are essential to keep the family healthy and working at peak efficiency.

GREATER NUTRITION
Heavy schedules and extra jobs these days mean greater nutrition demands and less preparation time. Milk, cheese, ice cream, and other dairy products can provide the foundation for wholesome hurry-up meals.

A protein food at each meal gives the most mileage for your protein dollar. The wide variety of protein foods, such as meats, fish, cheese, eggs, poultry and dry beans and peas, are easy to prepare and serve. A meat and vegetable main dish, such as stew, is more acceptable than a routine diet of sandwiches.

In planning quickie meals, remember fruits and vegetables. Raw vegetables in a relish tray or salad are easy to serve. Fresh fruit may need washing only. If your menu includes a baked main dish, plan to serve a baked vegetable and a baked fruit.

FRUIT CUP A LA MODE
When desserts are a must, try fruit cup a la mode with graham crackers or oatmeal cookies, or spoon soft cooked custard or tapioca pudding over the fruit. Leftover sponge cake layered with custard and fruit has no trace of a quick dessert.

School days for many Adams County children mean lunches away from home. To some it will mean packed lunches for their noon meal.

A packed lunch should contain one-third of a child's daily food needs, such as protein for growth and repair, carbohydrates for energy, and minerals and vitamins to keep his body fit. In addition, the lunch should be filling, tasty, easy to eat, and pleasing to the eye.

SUBSTANTIAL SANDWICH
A good pattern for the packed lunch is milk, two or more servings of fruits and vegetables, and a substantial sandwich with meat, poultry, fish, egg, or cheese filling.

Variety is the keynote to keep children interested in eating the lunch you pack for them instead of buying a candy bar or a soft drink. Be alert to new ideas for sandwiches and use your imagination to create interesting fillings.

Always include in the packed lunch a finger food, such as celery or carrot sticks, tomato wedges, cucumber slices, or pieces of raw cauliflower. Use fresh fruits in season, frozen, canned or dried fruits. Now and then tuck in a surprise, such as stuffed prunes or dates, salted nuts, or other tidbits.

A standard lunch box or one of the newer kits permits you to pack a wider variety of foods than you can put into a paper sack.

Hotel Strike Is Postponed 3 Days

PHILADELPHIA (AP) — A threatened strike of some 2,000 employees against 13 Philadelphia hotels has been postponed temporarily pending a negotiating session Monday.

The strike had been set for midnight Friday night when the three-year contract on Local 568, Hotel, Motel and Club Employees Union, expired.

A union spokesman said the recess in 11th hour negotiations was called Friday night in deference to members of the Jewish faith serving on the negotiating committees who are observing Yom Kippur.

The union is seeking a 12-to-18 per cent pay boost and other fringe benefits. The employees are bartenders, maids, waiters, waitresses, housemen, bellboys, cooks and other kitchen help. Maids now get \$40 a week. Pay scales for the other employees were not disclosed.

Confer Today To Avoid GE Strike

NEW YORK (AP) — Federal mediators hold last-ditch bargaining talks today to avert a nationwide strike set for midnight tonight against the General Electric Co.

The walkout was voted Friday by the 80-man conference board of the International Union of Electrical Workers after a 4½-hour meeting.

The company and the union have been negotiating for six

man, Arol Koppenheffer, Paul Middour and Courtney Bolger. They held a meeting Monday at the home of Mr. and Mrs. Earl DeHaven, York Springs R. 2. A skating party is also planned for December 3 at the Mary Jane Skating Rink.

U.S. SQUEEZING FIDEL'S CUBA ECONOMICALLY

By JOHN M. HIGHTOWER

WASHINGTON (AP) — The United States is considering the use of economic sanctions in its deepening conflict with the Cuban government of Prime Minister Fidel Castro.

These plans, calling for export controls on a limited number of items, may follow up a U.S. decision Thursday night to close down the \$110-million nickel processing plant it owns and operates in Cuba's Oriente province.

John Brown's Raid On TV Oct. 25

"John Brown's Raid," a dramatization of abolitionist John Brown's abortive war on slavery, will be presented as an NBC Special telecast, Tuesday, October 25 (10-11 p.m. NYT), producer Robert Allan Aurthur announced.

Aurthur, helmsman of last season's highly acclaimed "Sunday Showcase," will take a mobile tape unit to Harper's Ferry, W. Va., in October to tape the 60-minute drama.

The decision to tape "John Brown's Raid" on location was based on the successful taping last season of NBC's "The American" in Arizona, Aurthur said. It was the first time a dramatic show had been taped on location.

Aurthur pointed out that Harper's Ferry has been restored to its original condition, and would make a "superb location" for the show. It is now a national monument, and, according to Aurthur, is "an extra-ordinarily beautiful site."

"John Brown's Raid" will be directed by Sidney Lumet.

The script is by Robert Crean, a 36-year-old playwright whose play will be directed by Tyrone Guthrie for the Broadway stage production during the 1961-62 season.

John Brown's raid, though it ended in failure, created so much public discussion and political turmoil that national thought was aroused on the slavery issue. It

was one of the explosive incidents leading to the Civil War.

STAGE RAID IN 1859

On October 16, 1859, abolitionist Brown and his 22-man army of liberation staged a raid on Harper's Ferry, site of the U.S. Armory and arsenal, and an easy gateway to the South and slave-holding sections.

The raid failed for lack of support. No one willingly joined Brown's army. Seventeen persons, 10 of whom were raiders, were killed in the fighting. Brown and six of his confederates were later hanged at Charles Town, the county seat. Brown died on December 2, 1859.

Two Comediennes Star In "Bringing Up Buddy"

The new series "Bringing Up Buddy" which premieres on CBS-TV Monday, October 3, 8:30 to 9 p.m. should be a smashing success.

The new series, created by Joe Connelly and Bob Mosher of "Leave It To Beaver" fame and the long-term writers of "Amos 'N' Andy," stars two of the entertainment world's most delightful comediennes, Doro Merande and Enid Markey with the talented, young performer, Frank Alletter, in the role of the nephew.

In addition, the new series takes over the time spot in which "Father Knows Best" had so successful a run since October 3, 1954.

The format of "Bringing Up Buddy" deals with the older ladies, spinsters both, who have raised their nephew from childhood. They're hovering types of girls, who not only want to protect him from himself, but try to solve all the problems of

ENID MARKEY IN "BRINGING UP BUDDY"

the neighborhood. They want to get Buddy married off. And they involve themselves with the postman, stray puppies, anything that comes across their paths. And fertile being the brains of television scriptwriters, their paths are busily traversed at all times.

A SITUATION COMEDY

"Sure, if you have to put a tag on it," says Frank, "it's a situation comedy — but it's entirely different as a family comedy. No children, no omnipotent parent. Just the three of us, plus my girl friends — lots of pretty ones, to be sure and other interesting characters who come into our lives."

All three of the principals are products of the New York theater, and screen tests were done and approved in New York, and then all three were flown to Hollywood last winter to make the pilot film.

"Then it became like the fairy tales one reads about, but never think really can come true," Frank went on.

PILOT IS FINISHED

"The pilot was finished, and was going to be screened for all the agency people, which is the usual procedure. Just about that time, word was definitely received that Robert Young didn't want to go on making 'Father Knows Best.' His sponsor owned the time slot on CBS on Monday night, and bought our show as a replacement. That's a quite an honor, you know, to inherit 8:30 Monday night in the big CBS

comedy lineup. We all felt a bit awed that we were selected as the show to carry on for 'Father.' It was so highly successful and won so many awards over the years, and we all want to continue the successful record, of course."

So, with the show being sold, Alletter and the Misses Markey and Merande moved to Hollywood. Enid owns a home on Fire Island, which she has rented for a year. Doro sold her home in Connecticut, so delighted was she to make her home on the coast. And without a compunction in the world, Alletter and his wife give up their fourth-floor walkup in midtown Manhattan.

HOUSE AND POOL

"And look what we exchanged for it — a house in the San Fernando Valley with a swimming pool. It's not at all difficult to adjust to living conditions like this!" he laughed.

Alletter, it should be noted, won't be particularly over-awed by the pretty girls cast as his romantic interests in "Bringing Up Buddy." He's got one of the prettiest girls in the entire world waiting at home for him every night. Mrs. Alletter is the former Leo Ann Meriwether, Miss America of 1955. And promises to pass on her tradition of beauty to the couple's young daughter, Kyle Kathleen.

"Yes, I know — the next question is how do I feel being married to a former Miss America" — Frank anticipated the interview's inquiring look. "And I will tell you. I feel just

like any normal American male: great. She's a beautiful girl but beyond that, she's a nice person. She's bright and intelligent and kind and charming. She's a marvelous housekeeper, a good cook. She even irons my shirts well. And what more can a man ask for? — two doting aunts taking care of me all day, a beautiful wife taking over in the evening, and a steady job in a good new series."

TWO DOTING AUNTS

As for the two doting aunts, they bring to television most illustrious backgrounds in the entertainment field.

Back home in her native Kansas, when Doro Merande first told her friends that she wanted to be an actress, they laughed, "You, an actress, with your flat voice?"

"That flat voice," she quietly says today, "is exactly what directors and producers wanted. That voice got me roles in films, on Broadway, in radio and television."

It was producer Jules Leventhal who gave Miss Merande her first important part: After this break, other producers began offering her roles in Broadway plays. She appeared in "Our Town," "Love's Old Sweet Song," "More The Merrier," "Spring Song," "Junior Miss," "Hope For The Best," "Rat Race" and many others. Some of her more recent motion pictures credits are "The Gazebo," "Seven Year Itch" and "Mr. Belvedere Rings The Bell." In television, Miss Merande has

appeared on top dramatic shows as "Playhouse 90" and "The U.S. Steel Hour."

Enid Markey is the little woman whom movie devotees of long ago may well remember. She was the first "Jane" in the first "Tarzan" movie with the late Elmo Lincoln. And that wasn't even her first movie! She was literally discovered in a high school in Los Angeles by a movie director and put to work. And there's been little time off since, among movies, silent and talking; the theater — she's done a score or more plays including "The Women," "Happy Birthday," "Mrs. McThing" and "Only In America," and television, with this her first series.

FOOD FOR THOUGHT

If you haven't had the courage to use herbs in your cooking, start now—and you will be surprised at the lift just a few of the ordinary ones will give your food. Here are a few hints to get you started.

First, buy small jars for the herbs loose their pungency if stored too long. Next, don't let your sudden enthusiasm run away with you. Remember, dried herbs are used sparingly—a small pinch is enough.

I think that this might be a good time to list a few uses of the most common herbs . . . Bay . . . Excellent in soups, sauces and stews.

Sage . . . Use with a light touch in dressing for fish or fowl. Do not use if freezing food.

Basil . . . Tastes somewhat like cloves—fine with most vegetables and excellent in soups.
